About SP-NIDF

Sudurpaschim NRN Investment and Development Fund (SP-NIDF) Ltd. is an investment company registered under the Company Act 2063(2006) of Nepal. With the aim of creating shared value for its shareholders and society, SP-NIDF aims to invest in various technically sound, financially viable and economically profitable projects, primarily in Sudurpaschim Province of Nepal.

About Founder Members

The founders of the company are a group of persons of Nepalese origins residing inside and outside of Nepal. The company has been established after a series of consultations with the key stakeholders interested in investing and contributing to the development of Sudurpaschim Province of Nepal. Company has also formed sub-committee in America, Europe, Oceania, Asia, Middle East and Africa for outreach, co-ordination, knowledge transfer, investment generation and other support for the company.

SP-NIDF's

Growth strategy

SP-NIDF aims to mobilize NPR 140 crores within the first three years from its promoter shareholders before the company applies to raise additional NPR 60 crores from the share of 30% reserved for the public.

Although the growth depends on many factors, including political and economic environment of Nepal, SP-NIDF's target is to double its total capitalization in next 10 years.

The company will grow its capital by diversifying its portfolio, minimizing risks, and selecting feasible projects. To minimize the potential natural risk, the company will also make sure that all approved projects to invest are insured by the reputable insurance companies of Nepal.
